INDIAN ROCKS HIGHLANDS, LARGO, FL

I wanted to share details about a gorgeous Rutenberg three-bedroom, three-bathroom, one car garage block pool home located in the exclusive Indian Rock Highlands community. Two of the bedrooms have their own ensuite! This home features a spacious open floor plan, tile floors throughout, and fresh paint. Key updates include a tile roof (only 12 years old), an inground screened pool with a heater, and a whole-house generator. The property offers a beautiful pond view and a huge, private fenced yard. There is a potential 4th bedroom/bonus room that has the potential to become a large primary suite, with plumbing and a shower already in place. Entertaining is easy with a formal dining room where sliding glass doors open to a covered screened patio and a generously sized, fully fenced backyard, perfect for gatherings or relaxing in the Florida sunshine. The light-filled primary bedroom provides a peaceful retreat with an updated bathroom with a steam shower that can also serve as a pool bath. This home is less than four minutes from Indian Rocks Beach and is located in a non-flood zone. Additional highlights include a large fenced side yard with a shed, circular driveway for extra parking. It's also conveniently located near top-rated schools, shopping, dining, and Florida's world-famous white sand beaches. This property is a fantastic opportunity to enjoy all the Gulf Coast has to offer and won't last long!
